Introduction

This guide will give you an overview of how to configure your payroll to include information required in the Friends Life output file. You can create an output files for Friends Life to enrol workers and inform them of the contributions taken.

The guide covers:

- Configuring output file information
- Creating an output file each period

Friends Life configuration

Friends Life require you to supply an employee category if you defined Pay Groups in Friends Life's AE Hub. If you didn't define Pay Groups in the AE hub, you don't need to complete this configuration.

Pension Fund Configuration

Please Note: You may have completed the Pension Fund configuration when you created the pension deductions.

1. Go to the **Pensions** menu and select '**Configure Pensions**'
2. Select the Friends Life pension fund and click '**Edit**'

3. On the **General** tab, if you haven't configured your Friends Life pension fund already, enter all the details you have for Friends Life

In the **Output File** field, select '**Friends Life**'

In the **Include Employees** field, select '**This fund only**' (unless you have been told a different option by Friends Life)

Employee Details Configuration

If you have defined at least one Pay Group in Friend's Life AE Hub, then you will need to select the appropriate Pay Group for the employee in **Employee Details**.

1. On the left-hand Selection Bar, select the appropriate employee to open their **Employee Details**
2. Select '**Pension Refs**' tab
3. Choose the appropriate **Friends Life/Now Pensions - Category** from the dropdown field.

If the field is blank, click the icon to add a Pay Group. Click [here](#) for instructions

4. Click '**Save**' and then click '**Close**'

Add a Friends Life Pay Group

1. In **Employee Details**, on the **Pension Refs** tab click the icon to the right of the **Friends Life/Now Pensions Category** field

2. On the **Output Categories** screen, click 'Add' to open the **Add Category** screen

3. Enter a Friends Life Pay Group you created Groups in Friends Life's AE Hub, click '**Save**' to close the **Add Category** screen

4. On the **Output Categories** screen, click '**Close**' to return to the **Employee Details** screen

Friends Life output file

You should send a New Joiners output file to Friends Life if you have any employees automatically enrolled or opted in the pay period. You should also send a Contributions file to Friends Life each period you have paid your employees.

In the payroll, you create the same output file for both New Joiners and Contributions. When uploading the output file for New Joiners to Friends Life, for the first time you will need to map the fields. The same will apply when uploading the output file for Contributions for the first time.

Create a Friends Life output file:

1. Go to the **Pension** menu and click '**Create Pension File**'
2. On the **Select File to Create** screen, choose '**Friends Life**'
3. Click '**OK**'
4. On the **Period for Contribution Schedule** screen, the **NEST Payment Frequency** field is disabled
5. In the **Pension Fund** field, choose your Friends Life fund
6. **Date Payment Due** and **Payment Source** fields are disabled
7. Choose the **Pay Frequency** and **Period No** you processed the payroll for and had employees and/or employer pension contributions taken. Only periods that have been finalised can be used to create the pension file.
Date Range fields will be disabled
8. Click '**OK**'

Your payroll has the ability to hold back contributions, until the end of the opt-out window, as per the Pensions Regulator's advice. However, you should check with Friends Life to see if they permit this option.

9. Tick the box in the '**Exclude**' column to exclude an employee from the file. This will hold back the employee's contributions until the date entered in the **Exclude Until** column.
10. Click '**Next**'

No	Surname	Forename	NI Number	AE Date	Exclude?	Exclude Until
2	Bloggs	Joe		04/05/2015	<input checked="" type="checkbox"/>	30/06/2015

11. You must inform Friends Life of any employees that didn't have a pension contribution taken or made a reduced contribution.

You can change the **Reason**

for Reduced Employee Contributions if you want to by clicking in the field and selecting another option.

No	Surname	Forename	NI Number	Pen Earnings	Emp Contrib	Reason for reduced employee contributions	Partial / Non-pay Date
2	Bloggs	Joe		600.00	6.00	2 - Leaver	06/05/2015

12. Click '**Next**'

13. On the **Friends Life - Contribution for...** screen, click '**Print**' to print a report of the employees that are included in the file.

14. Click '**Create File**' to create the **Friends Life - Contribution** file

Summary of file contents	
Total Pensionable Earnings	600.00
Total Employer Contributions	6.00
Total Employee Contributions	6.00
Number of employees with Reduced Contributions	1
Total employees included in the file	1

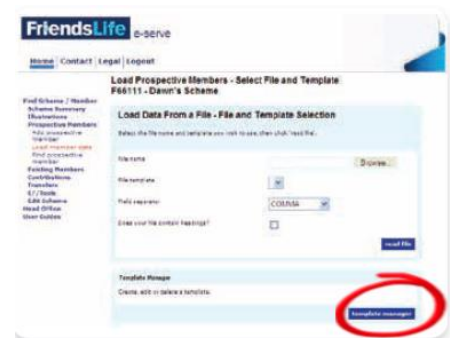

15. On the **Save As** screen, choose the location where the **Contribution Schedule** file will be created and then click '**Save**'

16. A message will advise the location where the **Friends Life** file has been created

Upload the Friends Life new members file:

1. Login to Friends Life e-serve and go into your scheme by clicking **'Find Scheme'**
2. Once you have found your scheme, click on **'Prospective Members'** and then click on **'load member data'**
3. If this is the first time you are uploading you must configure a template by completing steps 4 to 9. If you have already configured your template for new members go to step [10](#)
4. Click **'template manager'**
5. Click **'Browse'** and go to the location where payroll created the **Friends Life** output file and select the file
6. In the **Field separator** dropdown field, choose **'COMMA'**
7. Click **'create'** to create a new template
8. Enter a name for the template in the **Template name** field
9. You need to match the output file column names on the left-hand side with appropriate dropdown field on the right-hand side.
Click **'save'** to save your template.

10. Click '**Browse**' and go to the location where payroll created the **Friends Life** output file and select the file
11. In the drop down fields, choose your template and field separator. Tick the box to indicate that column heading exist in your file and then click '**read file**'.

Click [here](#) for more information about uploading new members file to Friends Life.

Upload the Friends Life Contribution Submission file:

1. Login to Friends Life e-serve and go into your scheme by clicking '**Find Scheme**'
2. Once you have found your scheme, click on '**Contributions**' and then click on '**Load collection data**'
3. If this is the first time you are uploading you must configure a template by completing steps 4 to 9.
If you have already configured your template for collections go to step [10](#)
4. Click '**template manager**'

5. Click '**Browse**' and go to the location where payroll created the **Friends Life** output file and select the file
6. In the **Field separator** dropdown field, choose '**COMMA**'
7. Click '**create**' to create a new template

8. Enter a name for the template in the **Template name** field
9. You need to match the output file column names on the left-hand side with appropriate dropdown field on the right-hand side.
Click **'save'** to save your template.

10. Click **'Browse'** and go to the location where payroll created the **Friends Life** output file and select the file
11. In the drop down fields, choose your template and field separator. Tick the **Does your file contain headings** box to indicate that column heading exist in your file and then click **'read file'**.
